**Subject:** RE: Kiyah FTM

Cindy I have attached a proposed motion to allow Carol and Mike to take Kiyah to Universal Studios in Florida for a short vacation this summer. Please review the motion. If you have no objection to Kiyah going on the trip, please let me know and I can add that information to the motion and ask the judge to sign the order authorizing the trip. If you do have an objection to her going on the trip, please let me know and I will ask the Judge to set it for a court hearing on the matter. If I don't hear from you by Friday then I will go ahead and set it for a court hearing. Hopefully, you will be able to attend the meeting today and we might discuss your position there.

> Jill, you did not have a hard time getting us to schedule. My gosh you are full of it aren't you. Is there going to be a problem with me recording this team meeting like the last one. Because a silent meeting is useless and I will not come just to have the police called on me again for pointing out what should never have been overlooked and recording to ensure transparency. I'm unsure what the problem is if there is nothing to hide. However if I attend this meeting, I have the same questions that I will demand an answer to on record or there is no point. Do you need time to prepare your answers? If so I can send you a copy of all the questions that I have asked with no satisfactory response many times. Let me know if this can be a productive meeting or not so I know whether I should attend or if I will just be told to leave again considering it is at the same place I was made to leave and I will once again bring my digital recorder.... Thank you for your attention to this matter
